Preface

As English is being introduced in primary level (first and second) in Iraq, this book "English for Iraq" for Accelerated learning is written to meet the needs of the pupil's from (12-18) years old. Accelerated learning covers three levels, each of which includes two stages of normal elementary education. This course consists of two components (pupil and activity book). The pupil's book consists of ten units. Each unit contains five lessons. The first five units and the first lesson of unit six begin with an alphabetical box which introduces the positions of the target letter (at the beginning, in the middle and at the end). The second lesson of unit six to unit eight begins with a box to revise the letters (two letters for every lesson).

At the beginning of the pupil's book there is a list of the characters presented in the textbook with their pictures. The 11 characters are (Miss Noor(the teacher), father, mother, grandfather, grandmother, Dania (daughter), Tariq (son) Yassir (Tariq's friend), Meena (Dania's friend) and also two imaginary characters (Qamar, Matter). In addition to , there is an introduction of the Alphabet letters.

At the end of the pupil's book, there is a picture dictionary and a wordlist of the difficult words arranged alphabetically.

The activity book consists of ten units, each unit has five lessons. The first five units and the first lesson of unit six have two corresponding pages, the first page practices the letters, and the second one practices the topics.
